FOREWORD

IJED (International Journal of Educational Development) [e-ISSN : 3046-8159, p-ISSN : 3047-1893] is an open access Journal published by the ASPIRASI (Asosiasi Periset Bahasa Sastra Indonesia). IJED accepts manuscripts based on empirical research results, new scientific literature review, and comments/ criticism of scientific papers published by IJED. This journal is a means of publication and a place to share research and development work in the field of Educational Development. Articles published in IJED are processed fully online. Submitted articles will go through peer review by a qualified international Reviewers. Complete information for article submission and other instructions are available in each issue. IJED publishes 4 (four) issues a year in **January, April, July and October**, however articles that have been declared accepted will be queued in the **In-Press** issue before published in the determined time.

Reviewers provide an assessment of originality, clarity of presentation, contribution to the field/science. The journal publishes *research articles*, literature review/review articles, case reports and *concept/policy articles*, in all areas of the Journal of Community Partnerships that accept articles in English. The articles to be published are original works and have never been published. Entry articles will be reviewed by both internal and external review teams. IJED (International Journal of Educational Development).

The Editorial Board will strive to continue to improve the quality of journals so that it can become one of the most important references in the development of science. Thank you very much to the Reviewers and members of the Editorial Board and all parties involved in the publication of this journal.

Regards

Editor in Chief
