FOREWORD

International Journal of Educational Technology and Society; This a journal intended for the publication of scientific articles published by Asosiasi Periset Bahasa Sastra Indonesia This journal is a peer-reviewed and open study journal for the social sciences, humanities and education. Fields of study in this journal include linguistics, literature, philosophy, psychology, law, education, social and cultural studies. This journal is published 1 year 4 times (**March, June, September and December**)

Reviewers provide an assessment of originality, clarity of presentation, contribution to the field/science. The journal publishes *research articles*, literature review/review articles, case reports and *concept/policy articles*, in all areas of the Journal of Community Partnerships that accept articles in English. The articles to be published are original works and have never been published. Entry articles will be reviewed by both internal and external review teams. IJMEAL (International Journal of Multilingual Education and Applied Linguistics).

The Editorial Board will strive to continue to improve the quality of journals so that it can become one of the most important references in the development of science. Thank you very much to the Reviewers and members of the Editorial Board and all parties involved in the publication of this journal.

Regards

Editor in Chief
