KATA PENGANTAR

International Journal of Multilingual Education and Applied Linguistics; This journal is intended for the publication of scientific articles published by the Indonesian Literary Language Research Association. The fields of study in this journal include the subgroups of Social Sciences Education, Language and Literature, Sports and Health, Mathematics and Mathematics and Natural Sciences, Technology and Vocational, Education and Arts. This journal is a peer-reviewed and open Linguistics Research journal. The fields of study in this journal include the subgroups of Indonesian and Regional Literature, Language Science, Foreign Language Science. This journal is published 4 times a year (February, May, August and November)

The International Journal of Multilingual Education and Applied Linguistics publishes the only paper that strictly follows the guidelines and templates for manuscript preparation. All submitted manuscripts will go through a double-blind peer review process. The paper is read by editorial members (according to their area of specialization) and will be screened by the Managing Editor to meet the criteria required for publication. The manuscript will be sent to two reviewers based on their historical experience in reviewing manuscripts or based on their area of specialization. Pragmatics: Journal of Linguistics and Education publishes a review form to keep the same item reviewed by two reviewers. Then the editorial board makes a decision based on the reviewers' comments or suggestions.

Reviewers provide an assessment of originality, clarity of presentation, contribution to the field/science. This journal publishes research articles, review articles/literature reviews, case reports and concept or policy articles, in all fields of Social Sciences, Language and Literature , Sports and Health, Mathematics and Mathematics and Natural Sciences, Technology and Vocational, Education and Arts. The articles that will be published are original works and have never been published. Incoming articles will be reviewed by a team of internal and external reviewers.

The Editorial Board will continue to strive to improve the quality of the journal so that it can become an important reference in the development of science. Deepest appreciation and thanks to Mitra Bestari together with members of the Editorial Board and all parties involved in publishing this journal.

Regards,
Chief Editor
